

THE 15th PACIFIC POLYMER CONFERENCE (PPC-15)

<http://www.ppc15.org>

December 10-14, 2017, Xiamen, China

Organization: Polymer Division, Chinese Chemical Society (PDCCS)

Conference Chair: Prof. Xi ZHANG (Tsinghua Univ.)

President of the Pacific Polymer Federation (PPF)

Scientific Topics

- S1. Polymer synthesis & characterization
- S2. Polymer structure, property & processing
- S3. Polymer surface & interface
- S4. Functional & self-assembled materials
- S5. Organic/inorganic hybrids & nanomaterials
- S6. Polymers for optoelectronics & energy
- S7. Polymeric biomaterials
- S8. Polymers for environmental applications
- S9. Young polymer scientists
- S10. Macromolecules 50 years symposium

Plenary Speakers

- Prof. Frank CARUSO (Australia)
- Prof. Kookheon CHAR (Korea)
- Prof. Yoshiki CHUJO (Japan)
- Prof. Xiao HU (Singapore)
- Prof. Hongbin LI (Canada)
- Prof. Stuart ROWAN (USA)
- Prof. Ben Zhong TANG (China)

Important Dates

- June 30, 2017
Abstract submission deadline
- Sept. 30, 2017
Early registration deadline

Secretary General: Prof. Zi-Chen LI (Peking Univ.)
